

BEEHOLZ

VertigoWood Ltd.

15, College Road Harrow HA1 1BA, United Kingdom

TECHNICAL DATA SHEET

Code: 133222

PRODUCT DETAILS

Wood type of surface	Euro oak
Grade	Select
Finish	Unfinished
Thickness	18/4
Width	800
Length:	800
SQM/pack	2.56
Packs/pallet	26
Construction	
Pattern	with internal bevels
Process	
Assembling profile	
Edge profile	
Moisture content	
Top layer	
Backing	

PRODUCT DETAILS

Installation must be executed by a professional installer.

This is a digital picture for your reference. Please note, that the color will display differently on each device.

We recommend comparing physical samples.

MAINTENANCE

After dusting, it is sufficient to use a slightly moistened cloth and mild detergent, having care to dry well the surface as water can damage the floor especially if not sealed. Do not use solvents, acids and ammonia.

All data is subject to our final written confirmation and specific details on the relevant order.
